

# Application for Koinonia Weekend

In Greek, Koinonia means fellowship. The Koinonia weekend is just that, for it brings together people from different communities for a learning, sharing, inspirational experience in Christian living. The Koinonia weekend is many things, but most of all it is filled with joy, much informal conversation, singing, and a lot of laughter. Within the forty hours spent there, complete strangers form a Christian Community, sometimes resulting in friends that last for years. The basic theme of a Koinonia weekend is a short course in Christian community. The weekend is structured around a series of talks, which cover topics such as God's Grace, Study, Action, and other subjects relevant to lay persons. After each talk there is time to discuss the talk with a small group. The talks provide thoughts for discussion and guidelines for life beyond the weekend.
